UNIQUE ACTIVITIES

Liseberg

Scandinavia's greatest amusement park and the most popular visitor destination in Sweden.

Universeum

The biggest Science Discovery Centre in Scandinavia. Meet animals from all over the world – at close quarters.

Paddan

See the city and harbour from the water. This is a classic Gothenburg tour.

WELCOME TO GOTHENBURG

Everything is close at hand in this compact city on the west coast of Sweden. The range of attractions and entertainment makes it feel like a big city, but when it comes to atmosphere and warmth, Gothenburg has its own special charm.

MAKE LIFE EASY – LEAVE THE WORK TO US! PRICES NOW REDUCED!

With our packages booking your school trip to Gothenburg is easy and great value. Everything is included, plus a bit more – Gothenburg's most entertaining activities and accommodation in nice hotels or cosy youth hostels. The package includes pre-booked meals and bus and tram transport.

GOTHENBURG – THE COOLEST CLASSROOM IN SWEDEN

Our activities turn learning into pure fun. At Liseberg amusement park you can experience the law of gravity first-hand on Balder, work out collision angles at Kållerado or travel halfway into space on AtmosFear. Jumping Goeldi's marmosets and white-tufted marmosets, colourful poison dart frogs, cockroaches, caymans and a hairy giant spider. These are just some of the many animals in the Universeum's rainforest.

Relive history at the New Älvsborg Fortress with a tour, and learn how Sweden protected one of its most important harbour cities against the Danes. Explore the dungeons at close quarters in the "Prisoners of Älvsborg" team challenge. You can also learn more about pirates, test-ride a Segway or a fast go-kart, climb inside a submarine and much more.
